PCC0924/03	03	Minutes of the PCC meetings on 03.06.2024 and 29.06.2024 The minutes of both meetings were accepted as a true reflection of the business conducted and will now be published, including the church website.	PB	ASAP
PCC0924/04	04	Matters Arising None		
PCC0924/05	(None agenda)	The Chancellor's Judgement on 01.09.2024 – Church Heating The Chair expressed his gratitude to members of the Fabric and Fundraising Teams who were instrumental in providing a Faculty Petition resulting in the Chancellor issuing a judgment enabling the installation of the new gas fired boilers, despite the Diocesan Advisory Committee not supporting this course of action. A member of the PCC provided a bottle of wine, to share with colleagues, in celebration of this significant achievement.		
PCC0924/06	05	Safeguarding There has been one reported incident, which has now been closed. The Safeguarding Officer reminded the PCC that there are still members who have not yet completed the Domestic Abuse training, which they should deal with as a matter of urgency.		
PCC0924/07		The reporting of serious matters to the Charity Commission at Appendix Q was acknowledged and accepted that this document should be renewed for 2024-2025.		
PCC0924/08		It was agreed that the 'Open the Book' be an activity which is to come off the list of activities which have safeguarding implications. The Pastoral Group and Church Done Differently will remain on this list.	LJ	ASAP
PCC0924/09	06	The Electoral Roll It was noted that there has been an increase of one since the last reporting.		
PCC0924/10	07 (a)	Committee and Team Reports <u>The Comms. Group – a presentation led by Martin Lowe</u> Martin led a presentation focussed on six areas of the West end of the church on how improvements can be made to enhance communications with the provision of a variety of new display material. The total cost of this work is in the order of £4,000, which can be funded from existing resources (£950 Noticeboard Designated Fund and the balance from the Parish Magazine Fund), except for several elements which need further	ML	

PCC0924/11		consideration, and working with the fabric team, the project was agreed, knowing that none of the work will demand a faculty petition. Appendix D was received with thanks. The full presentation can be viewed from this hyperlink: West End Improvements - presentation to PCC - Sept 2024.pptx		
PCC0924/12	(b)	<u>The Churchyard Group</u> Two issues were raised regarding the rewilding area of the graveyard at St. Winifrid's. Discussions with the grass cutting contractor is suitably resolving these matters.	PC	
PCC0924/13	(c)	<u>St Mary's (CE) Nursery and Primary School</u> The report at Appendix E was received with thanks by members of the PCC. An application for grant funding of £1,000 is being made by the school to the Diocese of Sheffield. This Small Sparks Grant is fully supported by the PCC.		ASAP
PCC0924/14		It was noted that there is still one Foundation Governor Vacancy at the school.	PCC	
PCC0924/15	(d)	<u>Events and Social</u> Nil report. The group are next meeting on 09.09.2024 to consider Harvest and the Autumn Fayre		
PCC0924/16	(e)	<u>Fabric Team</u> The Action Log was received with thanks at Appendices F-H The judgment from the Chancellor having been received and the formal Faculty following shortly, work can begin in readiness for the contractor's installation date 07 October, which is only provisional at this stage. Firm dates expected within the next 2/3 weeks. The Fabric team are to meet on 03.09.2024 to progress this work.		
PCC0924/17		The Kings Pictures have been received for hanging in both churches. This is being progressed by the Fabric Team.		
PCC0924/18	(f)	<u>Funding Group</u> Appendix I was received with thanks. One of the grant funding bodies which has been explored in recent months has now changed its qualifying criteria which has sadly taken this funding source out of scope for our purpose.		
PCC0924/19	(g)	<u>Financial</u> Appendices J&K were received with thanks. The treasurer had nothing further to add on the present financial position.		
PCC0924/20		He was able to confirm that he had received a legacy of £1,000 from the estate of the late Margaret Jones RIP, for which the members of the PCC were most appreciative.		
PCC0924/21		Prospective buyers of Tom's field are still interested in pursuing this opportunity, once the owners of the neighbouring land to this parcel have indicated a similar interest.		
PCC0924/22	(h)	<u>Mothers' Union</u> The report having arrived after the issue of the agenda bundle, the report is shown in its entirety:
