**Collect for the Last Sunday after Trinity**

Blessed Lord,  
who caused all holy Scriptures to be written for our learning:  
help us so to hear them,  
to read, mark, learn and inwardly digest them  
that, through patience, and the comfort of your holy word,  
we may embrace and for ever hold fast  
the hope of everlasting life,  
which you have given us in our Saviour Jesus Christ,  
who is alive and reigns with you,  
in the unity of the Holy Spirit,  
one God, now and for ever. **Amen**

**Post Communion Prayer**

God of all grace,  
your Son Jesus Christ fed the hungry  
with the bread of his life  
and the word of his kingdom:  
renew your people with your heavenly grace,  
and in all our weakness  
sustain us by your true and living bread;  
who is alive and reigns, now and for ever. **Amen**

# Light Party

A non-scary alternative to Halloween

Next Sunday, 3<sup>rd</sup> November, at 4.00pm in St Mary's Church Tickhill, we are holding our next *Church Done Differently* service which will be *Light Party* - a non-scary alternative to Halloween. This very informal style of service is highly suitable for children and families (but all are very, very welcome – children, parents, grand-parents and great-grand parents of any age – come with children or come without children.) There will be a puppet show, live music, games, craft activities, refreshments and a treasure hunt to keep you entertained. Park in the car park. Come along and join the fun!

**Service of Remembrance, Thanksgiving and Hope**

**6.00 pm today**

At this service we particularly remember all those in the Parish who have recently died, and others who have gone before them. If you have a loved one you wish to be remembered, there's still time to complete one of the cards available at the back of church. Their name will be read out at the service and you will be invited to light a candle and prayers will be said for them.

**Our New Heating Boilers**

Following the approval to proceed with the installation of our new boilers, preparations have started in the choir vestry for this to take place. However, the installation of the boilers is now programmed to start in early November 2024. The gas connection work by the churchyard south gate is expected to start on 31st October 2024 and finish on 1st November 2024. As with all alteration works there will be some disruption, and we hope you will bear with us whilst it is being done.

A big thank you to all of you who have been involved in getting us this far and who have contributed and continue to support our Warm and Welcoming fundraising. This means St Mary's will carry on having heating, and it assists with our move towards net zero carbon in the future.
