Collect for the Twenty-first Sunday after Trinity

Grant, we beseech you, merciful Lord,
to your faithful people pardon and peace,
that they may be cleansed from all their sins
and serve you with a quiet mind;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever. **Amen**

Post Communion Prayer

Father of light,
in whom is no change or shadow of turning,
you give us every good and perfect gift
and have brought us to birth by your word of truth:
may we be a living sign of that kingdom
where your whole creation will be made perfect
in Jesus Christ our Lord. **Amen**

Caring for our Church

Have you stopped to look in the Visitors' Book recently? If you do, you will see many complimentary comments about this beautiful building. These are due in no small part to the work of our church cleaning teams. Have you thought about joining one of these? We are always grateful for new helpers. We ask you to give about 60 minutes of your time, once every six weeks or so. If you can help, please get in touch with Hazel Horrigan (01302 743583).

Our New Heating Boilers

Following the approval to proceed with the installation of our new boilers, preparations have started in the choir vestry for this to take place. However, the installation of the boilers is now programmed to start in early November 2024. The gas connection work by the churchyard south gate is expected to be carried out in October 2024. As with all alteration works there will be some disruption, and we hope you will bear with us whilst it is being done.

A big thank you to all of you who have been involved in getting us this far and who have contributed and continue to support our Warm and Welcoming fundraising. This means St Mary's will carry on having heating, and it assists with our move towards net zero carbon in the future.
